Dear Marketing Partners,

Jeremy Frankoski was a part of the Coleman Gulick Racing Team for the last several years. Jeremy served in several capacities but mostly as Crew Chief and more recently as a Team Driver for the CGR/Hazardous Sports Racing Team.

Jeremy represented our entire Team in the most professional manner at all times, including away from the Track. Jeremy's personality makes him a great front man for any teams speaking engagements, track side interviews and definitely as a product spokesman and representative. Jeremy is committed to making sure his Marketing Partners are at the forefront of his racing efforts. He has tremendous communication skills which he puts to use when speaking on behalf of the products and services he represents.

During his tenure at CGR, Jeremy was part of Team Hazardous Sports and at all times gave Hazardous Sports tremendous exposure and helped build Brand Awareness through his efforts on and off the Track. Jeremy's commitment to Physical Fitness and experience in Public Speaking would make him a rival to not only the top NASCAR drivers but also Professional Speakers as it pertains to representing and speaking on behalf of his Marketing Partners.

If you are considering investing your Marketing Dollars with Jeremy Frankoski, it will be money very well spent. Jeremy will make sure of that. He is a First Class Individual and Spokesman.

If I may elaborate any further, please feel free to contact me directly.

Sincerely,

Pete Gulick
